

# PWC-400 Parts List

| Item No. | Description                  | Part Number |
|----------|------------------------------|-------------|
| P1       | Top Cover                    | cl4 9500    |
| P2       | Front Panel                  | cl4 9501    |
| P3       | Control Panel/Faucet Cover   | cl4 9502    |
| P4       | Base                         | cl4 9503    |
| P5       | Drip Tray Set                | cl4 9504    |
| P6       | Left Side Panel              | cl4 9505    |
| P7       | Right Side Panel             | cl4 9506    |
| P8       | Handle                       | cl1 9235/EG |
| P9       | Water Spout and T Manifold   | cl4 9508    |
| P10      | Cover, Circuit Board         | cl4 9509    |
| P10.1    | Cover, Circuit Board, REV D  | cl4 9507    |
| P11      | Strain Relief                | cl4 9510    |
| P12      | 1/4" tubing                  | cl4 9511    |
| P13      | Cold Dispense Button         | cl4 9571    |
| P14      | Hot Dispense Button          | cl4 9572    |
| P15      | Safety Button                | cl4 9550    |
| P16      | Dispense Nozzle Cover        | cl4 9547    |
| M1       | Frame, Upper                 | cl4 9512    |
| M2       | Frame, Front                 | cl4 9513    |
| M3       | Rear Panel                   | cl4 9514    |
| M4       | Screw                        | cl4 9515    |
| M5       | Screw                        | cl4 9516    |
| M6       | Screen, Stainless 304        | cl4 9528    |
| M7       | Screw                        | cl4 9517    |
| M8       | Screw                        | cl4 9518    |
| M9       | Bracket                      | cl4 9519    |
| M10      | Probe, Leak detector         | cl4 9520    |
| M11      |                              |             |
| M12      | Screw                        | cl4 9521    |
| M13      | Dryer                        | cl4 9522    |
| M14      | Screw                        | cl4 9523    |
| M15      | Screw                        | cl4 9524    |
| M16      | Screw                        | cl4 9525    |
| M17      | Bracket                      | cl4 9526    |
| M18      | Screw                        | cl4 9527    |
| M19      |                              |             |
| C1       | Lid, Outer, Cold Tank        | cl4 9556    |
| C2       | Lid, Inner, Cold Tank        | cl4 9557    |
| C3       | Cold Tank Assembly           | cl4 9558    |
| C4       | Screw                        | cl4 9559    |
| C5       | Silicon Tube, Cold tank/Sol. | cl4 9560    |
| C6       | Level Sensor                 | cl4 9579    |
| C7       | Capillary Tube               | cl4 9561    |
| C8       | Insulation                   | cl4 9562    |
| C9       | Nut, level sensor            | cl4 9578    |
| C10      | Fitting 1/4 stem elbow       | dm 2617     |
| C11      | Insulation                   | cl4 9564    |
| C12      | Insulation                   | cl4 9565    |
| C13      | Insulation                   | cl4 9566    |
| C14      | Bracket, Cold Tank           | cl4 9567    |
| C15      | Plug                         | cl4 9568    |
| C16      | Screw                        | cl4 9569    |

| Item No. | Description                      | Part Number |
|----------|----------------------------------|-------------|
| E1       | Control Board                    | cl4 9529    |
| E1.1     | Control Board w/beep sound       | cl4 9587    |
| E2       | Compressor                       | cl1 9218    |
| E3       | Cold Temperature Switch          | cl4 9531    |
| E4       | Transformer                      | cl4 9532    |
| E5       | Power Cord                       | cl4 9533    |
| E6       | Control Box, Level Sensor        | cl4 9534    |
| E7       | Fan                              | cl4 9535    |
| E8       | Condensor                        | cl4 9536    |
| E9       | On/Off Switch                    | cl1 9238    |
| E10      | Fuse Holder                      | cl1 9252    |
| E11      | Fuse                             | cl1 9262    |
| E12      | Sol.Valve,Dspnsng,cold,24 vdc    | cl4 9540    |
| E13      | Wiring Harness                   | cl4 9544    |
| E14      | Wire Harness                     | cl4 9542    |
| E15      | Wire Harness                     | cl4 9543    |
| Obsolete | REV D Control panel Assy         | cl4 9588    |
|          | REV F Control panel Assy         | cl4 9591    |
| H1       | Hot Tank                         | cl4 9545    |
| H2       | 92 C Temperature sensor          | cl1 9277    |
| H3       | 82 C Temperature sensor          | cl1 9251    |
| H4       | Screw                            | cl4 9548    |
| H5       | Screw                            | cl4 9549    |
| H6       | Stopper                          | cl4 9555    |
| H7       | Insulating Foam                  | cl4 9551    |
| H8       | Silicon Tube,hot tank/drain      | cl4 9552    |
| H9       | Sil. Tube, 175x4, HT/Ht sol.     | cl4 9553    |
| H10      | Silicon Tube, HT vent, 280L      | cl4 9554    |
| O1       | Sticker, Control Panel           | cl4 9573    |
| O2       | Fittng,Bulkhead(nt usd afr 8.09) | cl4 9574    |
| O3       | Double backed Tape               | cl4 9575    |
| O4       | Nut                              | cl4 9576    |
| O5       | Solenoid Valve, 115 VAC          | cl2 9086    |
| O6       | Screw                            | cl4 9570    |
| O7       | Filter Bracket                   | cl4 9541    |
|          | Sediment Filter Cart.-rplcmnt    | ifa 4035    |
|          | Carbon Filter Cart.-rplcmnt      | ifa 4034    |
|          | Membrane, 50 gpd-rplcmnt         | ma 4203     |
|          | UV bulb, 6 watt - rplcmnt        | uv 4061     |
| O52      | Straight, 1/4mpt x 14/4 tube     | md 2624     |
| O53      | Elbow, 1/4 mpt x 1/4 tube        | md 2625     |
| O54      | Bulkhead fitting, 1/4"           | dm 2733     |
| O55      | Stem Elbow, 1/4stem x 1/4t       | md 2626     |
